Thank you to the volunteers who came out on a sunny Saturday to help Stuff the Truck. Volunteers packed hundreds of CHOW bags, packaged multiple pallets of cereal, and spoke with community members. We appreciate all the work you put in to make this event a success.

A special shout out to LiUNA! for managing parking and traffic.

Thank you!

Volunteer Opportunities

Back Up Mobile Drivers

With sunny weather on the way we are expecting some of our regular drivers to head out on some well deserved vacations.

If you are willing to step in for a week or two on a mobile route, we are looking for some back up drivers to make sure food gets delivered on schedule each week.

Food Forest

Spring is on the way! With better weather comes new growth in the food forest!

We are looking for some groups of volunteers willing to help cultivate the food forest.

We've already had some interest but we will definitely need more hands!

Email volunteer@helpinghandsfoodbank.org for more info

- Please remember to sign in AND sign out on the volunteer sign in sheet. It's very important for us to be able to track volunteer hours.
- We're also requesting that volunteers at our Sedro-Woolley location wear name tags when possible - especially if you are helping with distribution. There are generic 'volunteer' name tags, but if you would like a personalized name tag - please email volunteer@helpinghandsfoodbank.org.

Volunteer Feedback

We are looking to improve the volunteer experience to make working with us at Helping Hands as fun, rewarding, and efficient as possible.

Please take a few minutes to fill out this volunteer survey and tell us a little bit more about your experience. Your feedback is important to us and is appreciated.
