

Volunteer Appreciation Month

April is volunteer appreciation month! We would like to thank all of you who have volunteered with Helping Hands over the years. Your time and effort is what allows us to do what we do to help our community. Whether you are one of our weekly regulars, a seasonal volunteer, or even if you just gave a few hours of your time... please know that we are grateful for your contribution to your community.

An Award Winning Team

We are honored, and incredibly proud, to announce that our volunteers have been awarded the Washington State Volunteer Service Award for the northwest region! You can check out the full article, including a quick interview with Helping Hands CEO Rebecca Skrinde, on the Serve Washington website.

"It's a great and safe place to come plug yourself in to your community if you don't know how. It's a place for you to come to feel like you're part of something bigger."

"The volunteers who come in are loyal," Skrinde said. "They really choose to be here. They're really passionate about being here and their hearts are so into it."
